Education

2023-02 - 20252

Bachelor of Science

Richfield Graduate Institute of Technology - Johannesburg, South Africa

I've completed foundational courses in programming, networking and web development which have given me a solid understanding of core programming concepts. As I'm now in my second year, I'm diving deeper into areas like web development and web design, building on the skills I've already acquired to tackle more complex IT challenges.

Transcript Overall (, GPA: 87.45%
